Student Arrival, Departure and Release of Students

To ensure the safety of students and staff, school doors will be locked during program hours. Parents/visitors are required to show a photo ID and be buzzed in each time they enter the school.

A parent/guardian, legal custodian or individual (at least 18 years of age and pre-approved by the parent/guardian or legal custodian) must sign the student in and out of the program. The student will be released only to the parent/guardian or person listed on emergency card. All individuals picking up a student will be required to show a photo ID.

No student is permitted to leave the Latitude program with anyone except their parent/guardian or a person designated on the emergency card by his or her parent/guardian. Families are asked to help staff maintain an accurate record of individuals authorized to pick up your student. Staff must be notified by parent/guardian, in advance, of any changes in authorized pick-up. **Failure to sign students in and out on a daily basis can result in cancellation of services.**

Attendance

- Consistent attendance is essential and student's attendance will be monitored and recorded daily.
- We require 85% daily attendance. **Failure to attend 85% of the time will jeopardize funding assistance you might be receiving, including DSS from the state and will result in cancellation from our program.**
- Families are required to contact the Latitude Youth Specialist to report an absence due to illness or emergency.
- Please note that the full weekly fee is expected regardless of absences or illness.
- Students are to be supervised at all times and at no time will students be left unattended.
- Appropriate program ratios will be maintained as required by state licensing. Latitude ratio is one adult to 12 students.

Emergency Contact

All Parents/Guardians are to provide at least three emergency contacts and authorized pick-up information. Please notify your Youth Specialist when you move, change telephone numbers, cell phone numbers, hours of employment, employer or emergency contacts. Emergency contacts are essential. If your child has an accident or becomes ill at Latitude. In the event we are unable to reach you we will begin calling those individuals listed on your child's emergency card. Only the legal guardian has permission to make changes on emergency card or enrollment information. Failure to keep contact information updated may result in a cancellation of services.

Field Trips

As a part of the Latitude program, there are occasional enrichment trips requiring bus transportation. Latitude staff supervise all field trips. When parents enroll their student in middle school, they will be asked to sign permission for all field trips on a yearly basis on the student data sheet. This permission will authorize all Latitude field trips. **Parents who attend any field trip during the 2017-2018 school year must have a cleared background check "on file" (not just in process) through the Independence School District's Central Office.** We provide this service at no cost to parents, but completion of the process often takes 4-6 weeks so please plan ahead to avoid missing a field trip. Once completed, this process does not have to be redone annually. Forms can be obtained by calling the school.

To ensure the quality of the field trip and student safety, in an extreme situation, a student choosing not to control their behavior may not be allowed to go on a field trip. Students on field trips are expected to be at their very best behavior. Bus transportation is provided by the Independence School District's Transportation Department.

Clothing

The Latitude dress code is the same as it is for the school day at your middle school building. Please refer to your school's Student Handbook for complete information regarding appropriate school clothing.

Family Involvement

The key to any successful program is family involvement, so we encourage you to become involved. We understand the time restraints on families and we are committed to family involvement through a variety of means. You might consider a parent advisory group, volunteering to share your special talents, reading to children, or to simply actively communicate with our staff. We encourage parents/guardians to accompany children on field trips, share special talents and cultural activities, serve on committees and assist with special events.

Volunteers

General Volunteer Guidelines for all Programs:

- Completed and cleared a state background check.
- All classroom volunteers must sign-in at the school or Latitude office and obtain a visitor badge.
- Name tags must be worn in the building at all times.
- The Board of Education has approved all district buildings and outdoor areas as smoke-free sites. No smoking on school grounds or in front of children.
- Beverage containers are not to be brought into the building.
- Volunteers are not counted into staff ratios and will not be left alone with students.
- Adults serve as a role model for children. Please dress appropriately and use appropriate language and conversations.

Confidentiality

All Independence School District employees are required to comply with the Family Education Right to Privacy Act. This insures all students' and families' confidentiality of information regarding the student and his or her educational records. Information will only be shared on a "need to know" basis to employees and other school officials as well as authorized federal and state agencies and authorities as defined by the law. The law prohibits disclosing of specific information to non-employees or employees without a "need to know" unless appropriate consent is acquired from the parent or legal guardian.

Student Behavior & Public Display of Affection

The goal of the Independence School District Latitude program is to help children function as a caring community of learners. Our Latitude goal is to help each child learn to make good choices, and to take responsibility for his/her actions. All Latitude programs adhere to the philosophy and rules of their middle school. Please refer to your Middle School's Student Handbook for additional information. Latitude behavior expectations are the same as the school day. Inability to follow these expectations may include principal referral, or withdrawal from the program depending on the frequency and severity of the offense.

Latitude follows the middle school building policy regarding public display of affection. Latitude will enforce the "No Touch" policy under all circumstances. Students will not hug, kiss, hold hands, push, punch, pinch, etc. anyone at any time—even done in a fun or playful manner. Consequences may include principal referral, or withdrawal from the program.

Personal Belongings

Students should not bring items to school that are not part of the Latitude program, unless specifically requested by the staff. Students are not to bring cell phones, camera phones, PDA's, electronic games, toys, radios, CD Players, I-pods, games, skateboards, trading cards or collectibles unless they have permission from the Latitude Supervisor. Student cell phone use in the building is prohibited. Student cell phones must be turned off. They must be left in your backpack until you prepare to leave the school building. Students who are caught using their cell phones other than pick-up time, will have their phones confiscated by Latitude staff. Cell phones will only be returned to a parent or guardian. Any personal property brought to school for any reason is the responsibility of the student who brings it. The program is not responsible for any loss or damages to personal items that are brought to school.

Injury and Accidents

All Latitude programs have first aid supplies available both inside and outside the classroom. **Minor accidents are assessed and if appropriate can be handled by staff and are documented on an Incident Notice.** Incident Notices are completed by appropriate adults and shared with Principal before the end of the working day. In the event that there is a serious emergency, (i.e., life-threatening accident, allergic reaction, head injury, etc.) 911 will be called and the child will be taken to the hospital by an emergency vehicle for treatment. Parents/guardians will be called immediately.

If a student is injured in an incident during a Latitude activity, report the accident to the Latitude Youth Specialist and/or Principal or Central Office Youth Development department immediately to obtain insurance claim filing instructions and form. Missouri schools are not required to buy insurance or pay student medical expenses associated with school injuries. The school policy will not provide 100% reimbursement for all medical expenses incurred. The plan has limitations and benefits. The school cannot assume responsibility for payment of medical expenses that are not covered by the accident insurance policy.

The school insurance policy is not intended to replace family or group health insurance policies. If you have other insurance, you must first file a claim with your other insurance carrier, HMO or PPO, and obtain benefits from your primary source of coverage. If you do not use your HMO/PPO network, the school policy benefits will be reduced by 50%. Parents must assume financial responsibility for paying expenses not covered by the limited accident policy covered by the school.

Immunizations

Missouri Revised Statutes regarding immunization exemption information. Chapter 210, Section 210.003.1 allows parents to ask their child's school if there are children who are attending with immunization exemptions. This information is available upon request from the school nurse. Specific information, such as student names will not be available due to privacy protections. Please contact your school nurse if you have questions.

Medication

All medication (including inhalers for asthma) that a student must take while at the Latitude program must be delivered to the Youth Specialist by a parent/guardian. The parent/guardian must complete a Medication Consent Form. Please Note: medication cannot be shared between the school nurse and the Latitude program. Latitude must be supplied separate medication (including inhalers for asthma). Medication must be in a current pharmacy labeled container with: student's name, date, name of the medication, quantity, frequency, dosage, route of administration and physician's name.

All over the counter ("OTC") medication must be delivered to the Youth Specialist in the **original** labeled container by a parent or guardian. OTC medication must either be accompanied by a written physician order that includes the student's name, date, doctor's name, medication name, quantity, frequency, dosage and route of administration, **or** the OTC medication must be one for which a Standing Order exists. In either case, a parent/guardian, (or adult designated in writing by a parent or guardian) must complete and sign a Medication Consent Form before any medication will be administered. Standing Orders exist for the following:

- Tylenol/acetaminophen
- Motrin/Advil/Ibuprofen
- Chewable Antacids
- Sunscreen
- Antibiotic Ointment

Disposal of medicines will be made by school nurses per recommendations of Food and Drug Administration personnel. The nurse will destroy any medicine not picked up by a parent/guardian within five (5) days of notification or discontinuation of use.

Emotional Abuse and Neglect: Blaming and belittling the child by calling names and talking about child in negative terms in front of the child--i.e., "I'm glad he is going to school today. I'm sick of him." Frightening the child (i.e. "If you don't stop that, I'm going to have the police come and put you in jail.")

Medical Neglect: Failure to follow up on abnormal vision or screening results may constitute medical neglect.

Harassment Policy

It is the policy of the Independence School District to maintain a learning environment that is free from harassment because of an Individual's race, color, sex, national origin, ethnicity, disability, sexual orientation, or perceived sexual orientation. The Independence School District prohibits any and all forms of unlawful harassment and discrimination because of race, color, sex, national origin, ethnicity, disability, sexual orientation, or perceived sexual orientation.

For purposes of this policy, the term "school personnel" includes school board members, school employees, agents, volunteers, contractors, or persons subject to the supervision and control of the Independence School District.

The school system will act to promptly investigate all complaints, either formal or informal, verbal or written, of unlawful harassment or unlawful discrimination because of race, color, sex, national origin, ethnicity, disability, sexual orientation, or perceived sexual orientation, to promptly take appropriate action to protect individuals from further harassment or discrimination; and if it determines that unlawful harassment or discrimination occurred, to promptly and appropriately discipline any student, teacher, administrator, or other school personnel who is found to have violated this policy, and/or to take other appropriate action reasonably calculated to end the harassment/discrimination.

DSS Subsidy

Some families may be eligible for DSS (Department of Social Services) assistance. To find out if you qualify for DSS assistance you must submit a child care application to the Missouri Department of Social Services. A DSS Award Letter must be attached to a completed service agreement before any reduction in fees occurs for DSS subsidies. **The full weekly fee will be charged until the award notice is received.** Upon receiving the notice, a new service agreement will be completed for the change in rates and, if applicable, fees retroactively adjusted. Please note that it is the responsibility of the family to apply for and monitor any assistance from DSS. **The family is responsible for any non-DSS portion and agrees to pay the difference between the weekly fee and the reimbursement received.**

It is important to note that DSS assistance is based on family income and other family issues (work, education, etc). Therefore, some families may have a co-pay. DSS payments are based on **actual attendance** and may vary from month to month. Student attendance is very important. **If the student has excessive absences, the family will be responsible for a larger portion of the monthly fees because of reduced payments by DSS.**

DSS assistance can end at any time for a variety of reasons including expiration, changes in household status or changes in certain family conditions. Families will be responsible for the full weekly fee once DSS coverage ends regardless of whether a new Eleyo contract has been completed.

We encourage families with DSS assistance to work with their DSS case worker to fully understand their coverage and to carefully monitor their statements for changes in weekly rates affected by DSS. The statements will show how much DSS pays toward the account and any balance left over for which the family is responsible.

It is the family's responsibility to keep track of when DSS coverage is going to end and contact DSS before that deadline if further assistance is needed.

Please note: DSS payments are based on your DSS award letter and your student's attendance at Latitude.

- Families are responsible for full weekly fee until the award letter is received.
- In order to claim DSS, you must sign your students in and out each day.

Please be aware of the following to make the most of your DSS benefit:

- Your child must attend at least 5 hours per day in order to claim a Full day
- Your child must attend at least 3 hours per day in order to claim a Half day.
- Your child must attend at least 30 minutes per day in order to claim a Part day.
- If your child attends less than 30 minutes we are unable to claim those days.
- DSS will only pay for 5 absences or holidays per month.
- Approved DSS rates will automatically change for Early Education students who turn five years of age.
- *DSS assistance(including foster/adopted) does not cover late pick up fees*

Please call 816-521-5307 if you have any questions about the information above

Account Invoice

Weekly account invoices are provided to families so that you may check your account to make sure your payments are being posted correctly. **Account invoices will be e-mailed directly to your Eleyo e-mail address.** For those families that do not have e-mail access, account invoices will be sent to the site for parents to pick up. Please notify us immediately if you are not receiving your account invoice. Weekly payment is still expected regardless of receiving weekly account invoices.

If you have questions about your account invoice, please contact Customer Service at 521-5307.

Financial Disclosure / Responsible Party

The person who registers in Eleyo is the “Primary Owner” and the only person we will disclose or discuss any financial account information with. If you would like to add a “Secondary Party” to discuss or disclose information regarding your account please contact your Youth Specialist.

Parents have the ability to designate a “Secondary Party” to discuss or disclose information regarding your account. Only the “Primary Party” can designate a Secondary Party.

Change of Billing Entity

A student’s balance for services stays with the student regardless of the responsible billing entity. If the responsible billing entity changes, the account balance must be paid in full before the new billing entity assumes responsibility.

Withdrawal from the Program

Parents are to provide a minimum of one week advance written notification to their Youth Specialist, as well as cancelling their contract in Eleyo All outstanding debt that has accrued, must be rectified prior to withdrawing from the program. Weekly fees will continue to be assessed to your account until written notification is received.

Note: All unpaid balances will remain on our records. To be eligible to reenroll in any Kids' Safari, Latitude or Early Education program all balances must be paid in full. If an account remains unpaid it will be turned over to a collection agency to pursue all available means to collect.

Automatic Drop: A child who does not attend for two consecutive weeks without notice will be automatically cancelled. The weekly fees will still be owed for the two weeks of non-

Cancellation of Services

Accounts which fall two weeks behind from the original due date will result in cancellation of services. Cancellation of services includes all contracts related to the account including Early Education, Kids' Safari and Latitude. Such families will be informed in writing as to the last day of services. Accounts are considered cancelled upon issue of cancellation letter. You will have a grace period until the end of the week to resolve your account. A \$20.00 past due fee will be applied to the account upon issue of the cancellation letter.

Cancellation of Services does not relieve the parent/guardian of their obligation to pay for charges incurred. Accounts with outstanding balances will be sent to a collection agency. If services are terminated, your unpaid balance will remain on our records and you are not eligible to re-enroll in any Kids' Safari, Early Education or Latitude program until the balance is **paid in full**.

Collections

Upon cancellation of services all accounts with an outstanding balance will be sent to a collection agency. A collection fee of **\$15.00** will be added to the amount due when accounts are turned over to a collection agency. The Collection Agency will use both written and verbal communication in an attempt to collect the outstanding balance.

All legal means will be used for collection of unpaid balances including wage garnishment and legal proceedings.

Payments Returned for Any Reason

All returned payments will be reversed from the student's account upon return from the bank or credit card institution. If the student's account becomes two weeks behind because of this reversal, it will be cause for immediate cancellation of services. A letter of notification will be sent, or a telephone call will be made, to anyone for whom we have received a returned payment from the bank. There will be a **\$15.00** fee applied for each payment returned.

Dispute Policy

We make a dedicated effort to insure the billing is correct on every account. Still, questions and errors sometimes arise. Parents are asked to review their statements regularly for accuracy and to make their payments on time. Families have 90 days from the billing date to question or dispute a charge or payment. After 90 days the parent is responsible for the charges incurred. All questions and disputes must be:

- Submitted to ISD Accounts Receivable Customer Service in writing (201 N Forest Ave. Independence, MO 64050).
- Include account number; name and phone number; question and details about the issue in dispute.
- CFLC Customer Service will provide a response, in writing, within 10 days of the date received.
