

Resources and Contact Information for Mr. Stockdell's 6th Grade Science Class

Remind App: Get text message or email updates on quiz dates, new posts, etc. **(See reverse side for more details).**

Class Twitter Page: https://twitter.com/science_buffs

Respond to Mr. Stockdell's tweets via Twitter or by writing a response on paper. Insightful comments and questions that show a connection to the learning target and/or concepts not explicitly discussed in class will be considered as progress towards earning a "4" (advanced proficiency level). A grade of a "3" (proficient) is still required on the learning target before earning a "4." As always, students are still able to earn a "4" grade by correctly completing the "Advanced" portion of quizzes.
