LITERACY

PHONOLOGICAL AWARENESS

Go to your local library and check out the books:
Sheep in a Jeep by Nancy Shaw
or
Green Eggs and Ham by Dr. Seuss
and identify the rhyming words.

PHONICS

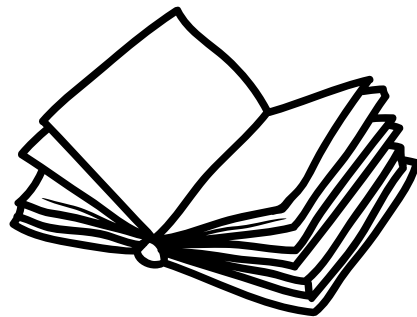

Beach Ball Heart Words
Get a list of heart words from your teacher, grab a cheap beach ball from the dollar store and write down the words in marker. Once you are finished toss the ball. Whatever word your right index finger lands on is the word you read.

FLUENCY

Listen to the book The Night Before Summer Vacation and then write a list of all the things you are looking forward to doing on your summer break.

VOCABULARY

Make a list of at least 10 books you would like to read this summer.

COMPREHENSION

Watch Episode 3 of Brain Builders and find words to break apart and blend together.

MATH GAMES

PLACE VALUE

Have a family member give you a number with one, two, or three digits. Draw what that number looks like drawing base ten blocks.

Draw three cards each. Make the biggest numbers you can. The person who has the largest number wins the round.

PROBLEM SOLVING

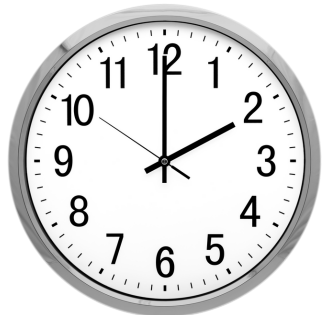

Create some addition and subtraction word problems using two digits about summer.

NUMBER DETECTIVES

Practice telling time to the nearest half hour using an analog clock.

MATH AROUND US

Measure the length of your bedroom using items around your house such as forks, spoons, socks, or even Q-tips.
