QUARTER. USE [THIS WEBSITE](#) TO
RESEARCH ABOUT BUCK O'NEIL.

WHAT WERE SOME OF O'NEIL'S
BIGGEST CONTRIBUTIONS.

MARCH

3RD GRADE FAMILY CHOICE BOARD

DIVISION

You need a set of playing cards

Division Go Fish

Using a deck of cards, only keep cards 1-10 in play.

Each player gets 6 cards. The rest go into a draw pile.

Player 1 asks Player 2, "Do you have $12 \div 4$?"

If Player 2 has a 3, then they would give the card to Player 1. The player with the most matches wins.

MATH GAMES

PLAY THIS [GAME ONLINE](#) TO PRACTICE FRACTIONS ON A NUMBER LINE

Balloon Pop Math
 Comparing Fractions (& Ordering!)

- Level 1 compare 2 fractions
- Level 2 compare & order 3 fractions
- Level 3 compare & order 4 fractions

PROBLEM SOLVING

- Create a word problem that includes a real life scenario involving multiplication. Use your name, a friend's name, or a family member's name.

(Ex: Kim has 4 bags of candy. Each bag has 7 pieces inside. how many peices of candy does she have in all?)
