How many
Raindrops do
you see?

Practice #6

10

How many suns do you see?

Activity:

Materials Needed: Paper, Writing Utensil (Markers, Paint, Crayons).

1. Draw a Cloud on a piece of paper.
2. Ask student to create 10 Raindrops.

Ways to Modify:

Practice counting a smaller number.

Hand over Hand Assistance.

Helping the student say the numbers.

[Raindrop Counting Activity](#)

Practice counting in the home

Count how many people live in the home.

Count how many chairs are in the house.

Count how many girls, how many boys are in the home.

Count how many doors are in the home.

Other fun counting videos:

[Curious George Counting with Allie](#)

Parent Check:

Check student responses.

1. Was this lesson?

Easy

Just right

Hard

2. See if you can find more objects around your house to count.
