

Speech and Language Virtual Learning

/p/ Speech Sound Video

April 2020

/p/Sound System
Lesson: April 2020

Learning Target:

Students will listen to and watch production of the /p/ phoneme in isolation, initial word position, and final word position.

Background: This is a video demonstrating production of the /p/ phoneme in isolation, initial and final positions.

- Students will watch as therapist introduces and models the sound in isolation, initial position, and final position.
- Students will then practice producing the sounds themselves using pictures in supplemental worksheet.
