Learning Target:

Students will learn to choose a goal.

This is a guided conversation for child and caregiver.

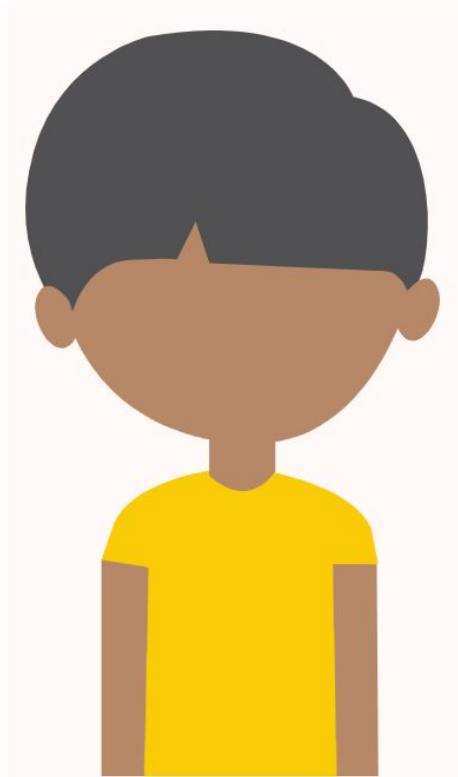

Let's Get Started:

What is a goal?

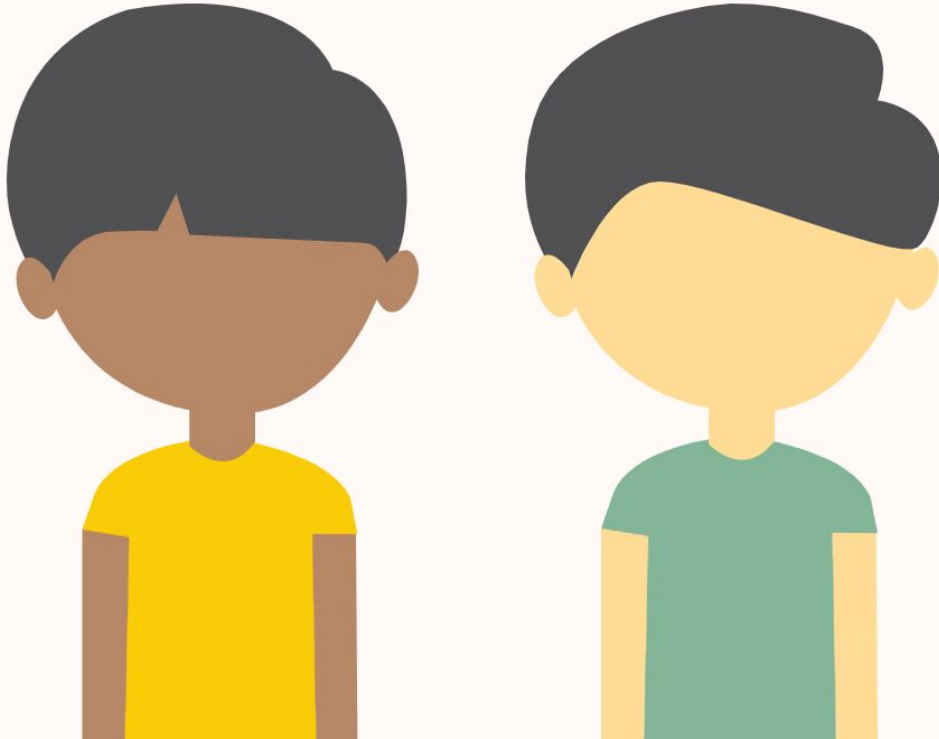

A goal is something you want to do.

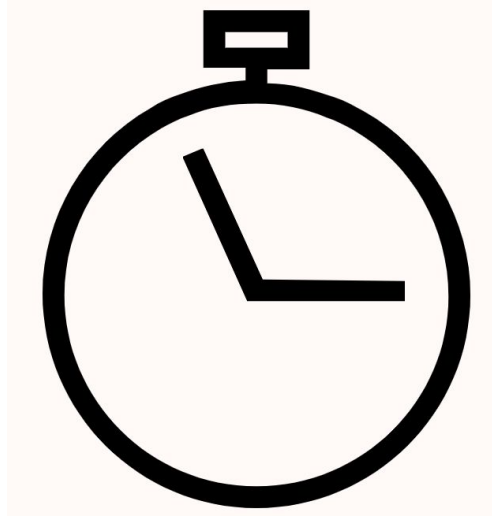

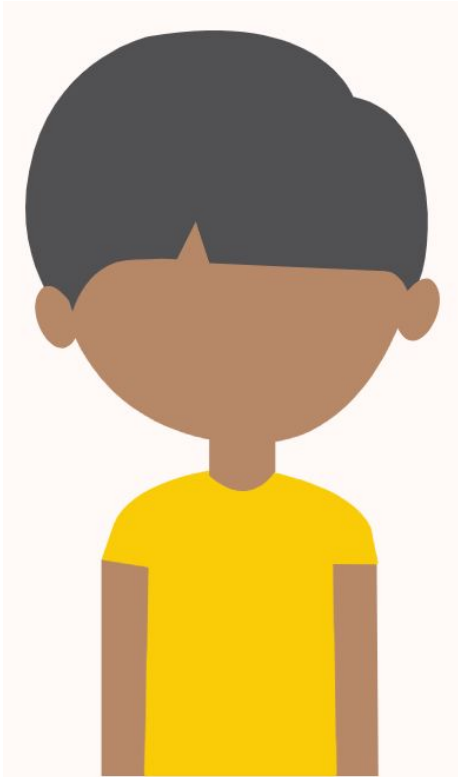

Some goals we can do by ourselves.

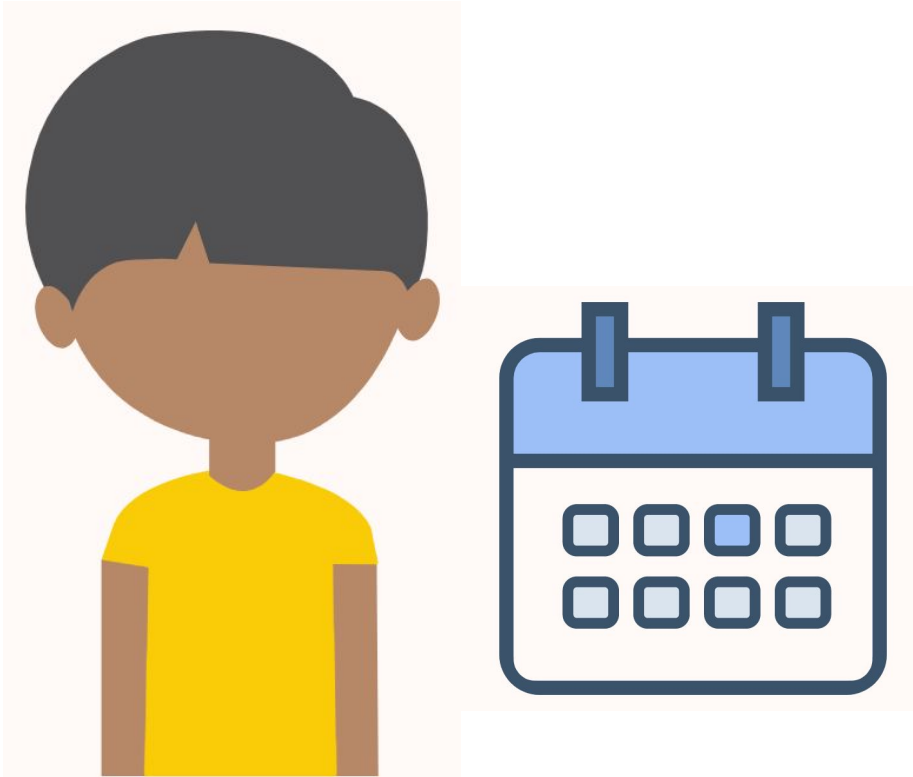

Some goals are hard and we need help.

Some goals are short.

Some goals take a long time.

I can be kind to a person where I live.

Is this a good goal for me?

Who can help me if I need it?

I can take care of my body.

Is this a good goal for me?

Who can help me if I need it?

I can exercise.

Is this a good goal for me?

Who can help me if I need it?

My goal for today is _____.

Tell someone your goal!

Ask them, “What is your goal?”
