

Speech/Language Virtual Learning

/b/ Speech Sound Lesson

April 2020

/b/ Speech Sound
Lesson: April 2020

Learning Target:

Students will practice the /b/ phoneme in isolation, initial word position, and final word position when given pictures.

Background: This is a video to explain how to help student produce the sound /b/.

- Students/parents will watch as therapist introduces and models the sound in isolation, syllables and words.
- Students will then practice using pictures in the accompanying worksheet
