

Speech and Language Virtual Learning

/m/ Speech Sound Lesson

April 2020

/m/ Sound System
Lesson: April 2020

Learning Target:

Students will listen to and watch production of the /m/ phoneme in isolation, initial word position, and final word position.

Background: Students will listen to and watch production of the /m/ phoneme in isolation, initial/final consonant-vowel combinations, initial/ word position.

- Students will watch as therapist introduces and models the sound in isolation, initial position, and final position
- Students will then practice producing the sounds themselves using pictures on supplemental worksheet.
