What do you know about birds? Birds come in many different colors.

Which bird is **RED**?

Which bird is **BLUE**?

Which bird is GREEN?

Can you name the color of these birds?

Activity

Make binoculars for exploring birds.

- Use materials around the house (toilet paper rolls, rolled construction paper, plastic tubes, string, etc.)
- Go outside with your binoculars- what do you see? Can you find any birds? What colors do you notice? Are there big/little birds?
