Warm up

- Cut out the provided pictures with your child.
- Let your child start by hiding one of the items around the house.
- When you find it, provide some models:
 - For spring items, say “I found the ____!”
 - For the people, say “He/she is here!”
 - After finding the item, ask “what should I do?” (jump, clap, etc).

Time to Hide!

- Now parents, you get to hide the items and let your child find them.
- Put the cut outs into a folder or box so your child can't see what's missing.
- Have them close their eyes until you say "ready!"
- While they close their eyes, hide an item somewhere they will find it quickly.
- When they find it, ask them:
 - What did you find? (for spring item)
 - Who is here? (for he/she)
 - Now _____ (pick a random simple direction)
- If they want, switch to let them hide. You want to do most of the hiding so your child get practice naming/identifying.
