Move Like A Bug

April 2020

Early Childhood Special Education

Lesson: April 21, 2020

Learning Target:

Students will practice moving their bodies like a bug.

Let's Get Started:

Watch Video: [I Love Bugs!](#) By Philemon Sturges

Practice:

How does the butterfly move? Show your parent.

Practice:

How does the spider move? Show your parent.

Practice:

How does the worm move? Show a parent.

Activity:

It's time for Yoga.

Follow along to the video: [Fly like a butterfly](#)

Parent Check:
Check student answers.

1. Was this lesson?

- easy
- just right
- hard

2. Ask your child to move like their favorite bug.
