Feelings

April 23, 2020

Early Childhood Special Education Adaptive Lesson: April 2020

Learning Target:
Students will identify feelings

Let's Get Started: [When Sophie Gets Angry](#)

Before Reading -

Ask your child what makes them happy, sad and angry. Ask them to show you what that looks like.

After Reading Questions -

Why was Sophie angry?

What made Sophie happy?

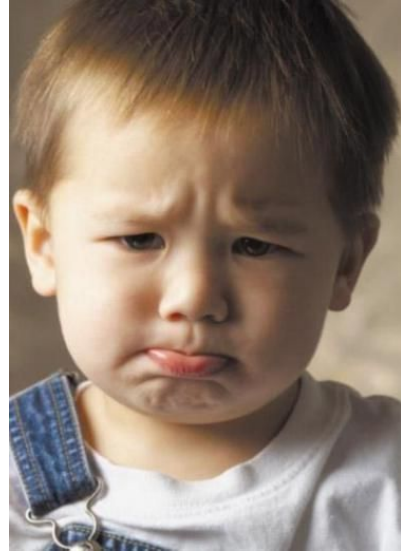

Practice:

Point to the face that is angry?

Practice:

Point to the face that is happy.

Activity:

-Look into a mirror and make different facial expressions (happy, sad, excited, surprised, scared, etc.)

Self Check:

Go tell someone in your home your answers.

1. Was this lesson?

easy

just right

hard

2. Ask your child what makes them angry and what makes them happy.
