Bug Alphabet

April 23, 2020

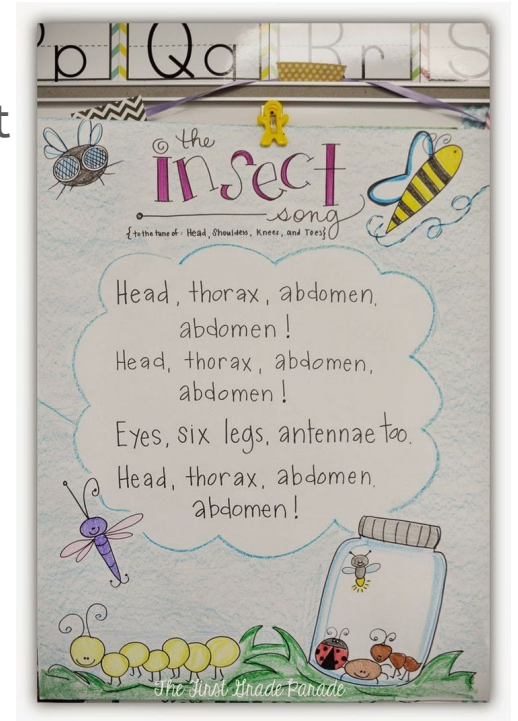

Early Childhood Special Education Reading Lesson: April 2020

Learning Target:
Students will identify uppercase letters

Let's Get Started:
[The Icky Bug Alphabet Book](#) by Jerry Pallotta

Before reading questions: Ask your child what they think of when they hear the word- Insect? Talk about the different kinds of insects. Sing the insect song together.

During reading questions: While listening to the book have your child identify the uppercase letter on the corner of each page.

Practice

Which insect starts with the letter D?

D is for _____.

Practice

What insect starts with the letter G?

G is for _____.

Practice

Which insect starts with the letter L?

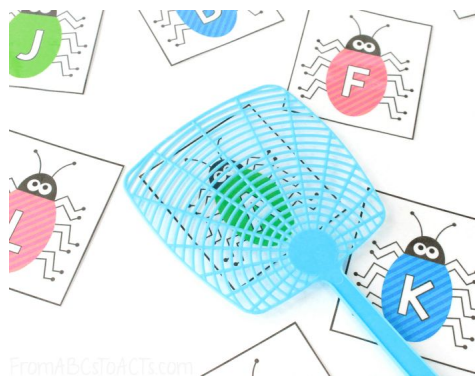

L is for _____.

Activity

Play the game - Swat the Bug

-Materials - Use paper, markers, and scissors. Have your child try to cut out their own shapes.

- How to Play - Draw and cut out 26 shapes. Write an uppercase letter on each shape. Put out 5-10 shapes at a time and ask your child to “SWAT” the letter you say.
