How To Be Safe Outside

April 24, 2020

Early Childhood Special Education Adaptive Lesson: April 24 2020

Learning Target:

Students will learn how to be safe

Let's Get Started:

Watch Videos: [Pink Fong Daily Safety Song](#)

Practice:

What do you do when you want to cross the street?

You look both directions (left and right) before crossing the street. You hold an adult's hand.

Practice:

What do you do when you see a house on fire?

You tell an adult and call 9-1-1 (fire department).

Practice:

What do you do when you want to go outside and it is raining?

You get a raincoat, rain boots, and umbrella.

Activity:

-Practice dialing a phone number or calling 911.

Materials: Paper and Markers

Create 13 squares and write the numbers (0-9, #, *) plus a picture of a phone.

Self Check:

Check your students responses

1. Was this lesson?

easy

just right

hard

2. Have you child practice holding your hand while crossing the street.
