Identifying Insects by Name

April 24, 2020

Early Childhood Special Education Reading Lesson: April 2020

Learning Target:
Students will identify the names of different insects

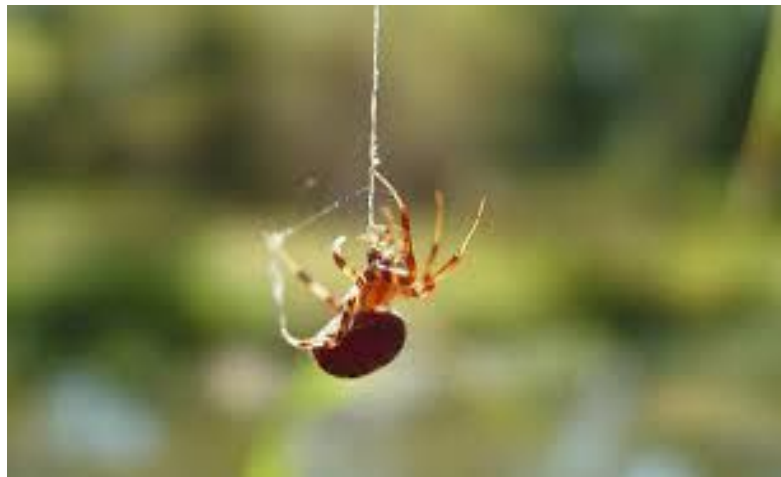

Let's Get Started:
[Bug Hunt by Tom Story](#)

Practice:
Point to the grasshopper

(Student repeats “grasshopper”)

Practice:
Point to the spider

(Student repeats “spider”)

Practice:
Point to the worm

(Student repeats “worm”)

Practice:
Point to the wasp

(Student repeats “wasp”)

Activity:

Build Your Own Bug!

Materials:

- Glue Stick/Glue
- Construction Paper or paper that can be colored
- Scissors

It's time to create your own bug! Use your imagination and remember some of the bugs you have you learned about this week. Use a variety of shapes to put together your bug.
