

# Fine and Gross Motor Activities

# Sidewalk Chalk Fun

All Ages and Abilities

# Learning Targets:

*Fine motor pencil control, creativity and imagination, shape and letter writing, gross motor physical activities, motor planning, playing a game.*

## Activities:

1. Create a scene and put yourself in it.
2. Draw shapes and create an animal from the shape.
3. Draw letters and create a picture from the letter, for example, “A is for alligator” and draw an alligator mouth.
4. Create an obstacle course to move through. [Obstacle Course Link](#)
5. Be an artist and create your own picture, your own style.
6. Write kind messages for people to read.
7. Create a Checkers, Hopscotch or Four Square game board to play.

Be  
Creative!  
Have  
Fun!
