# Early Childhood Special Education Reading

## Lesson: May 2020

### **Learning Target:**

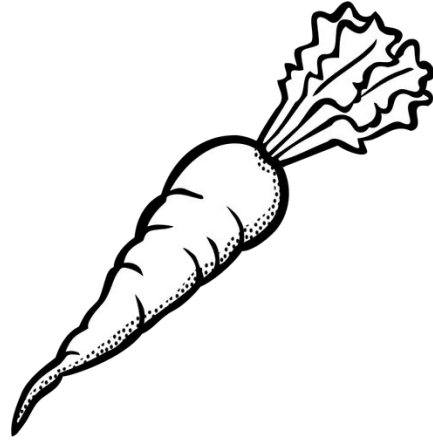

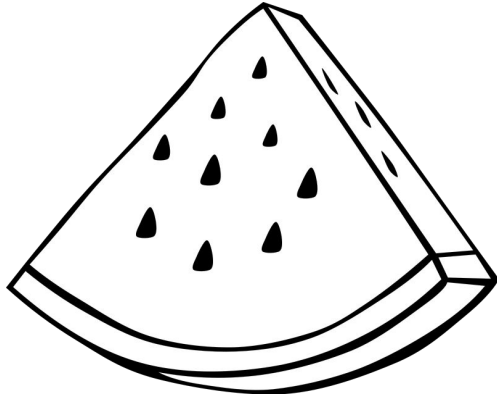

Students will learn about the different colors of healthy foods.

Let's Get Started:

Read Aloud: [Planting A Rainbow](#)

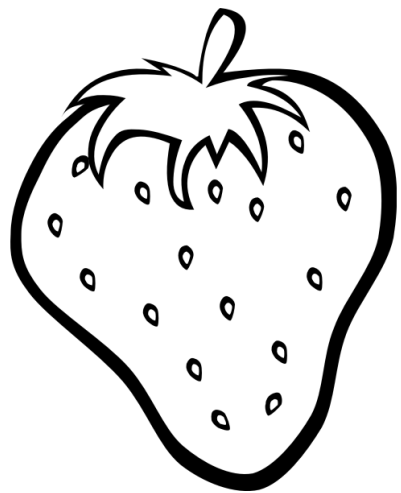

## Practice:

What vegetable is **orange** that rabbits like to eat?

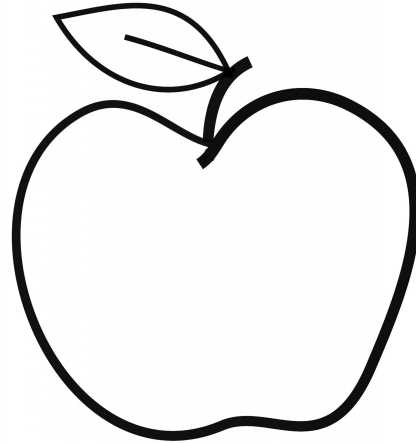

## Practice:

What vegetable is **green** that makes a good salad?

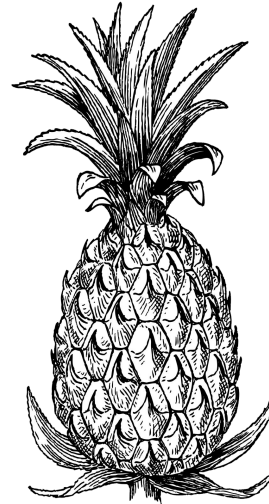

## Practice:

What fruit is **red** and grows on trees?

## Practice:

What fruit is **yellow** that monkeys like to eat?

## Activity:

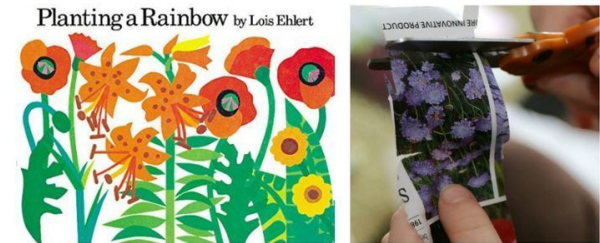

### Planting a Rainbow Garden

-Materials - magazine pictures of gardens, paper chart, crayons or markers, glue

Have your child choose flowers (or fruits and vegetables that may also grow in a garden) for each color on the chart. Use this opportunity to help your child cut out the pictures. Then see if they can color match them into the correct location.
