# Early Childhood Special Education Adaptive Lesson: May 2020

## **Learning Target:**

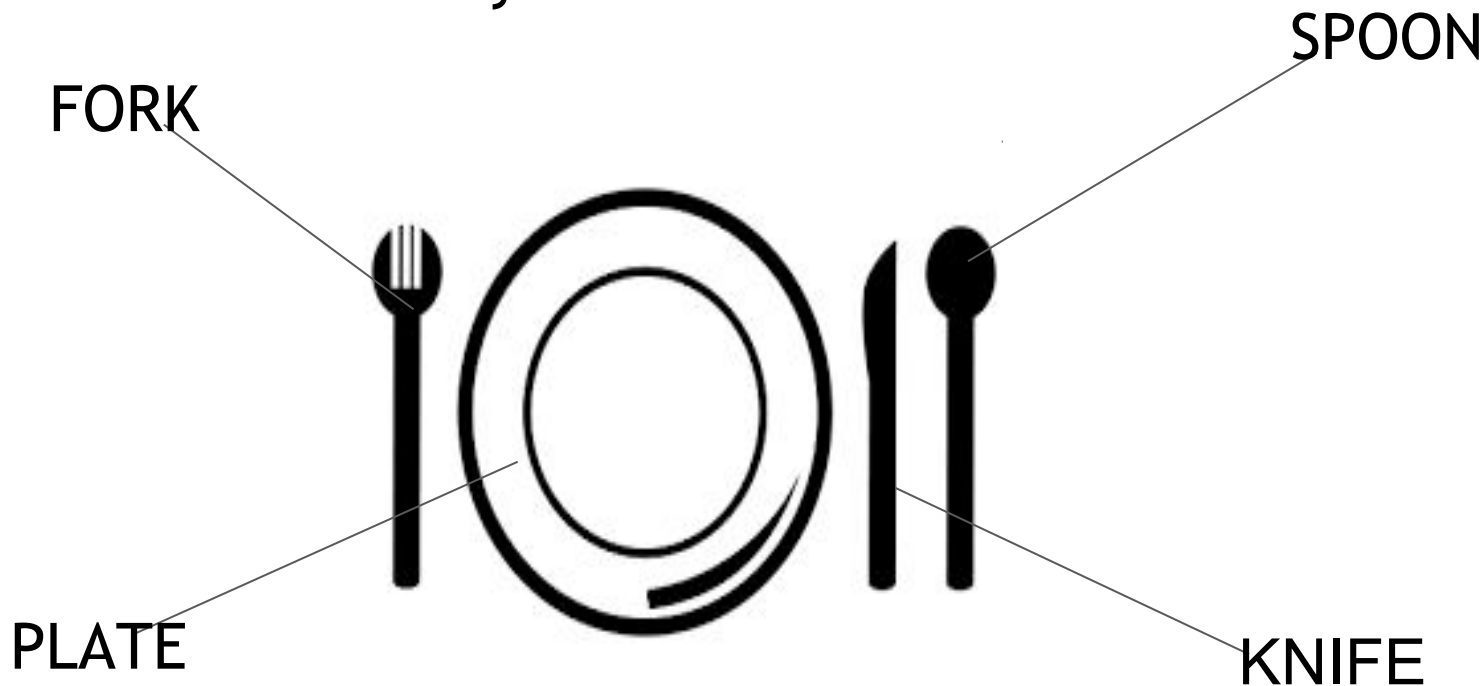

Students will learn how to use meal utensils.

## **Let's Get Started:**

Watch Video: [I Eat With A Fork](#)

## Practice:

Point to or say the name of these items.

## Practice #2:

CUP

Point to or say the name of these items.

BOWL

## Practice:

What do we put on our plate?

Forks poke our food.  
Spoons scoop our food.  
Knives cut our food.

## Practice:

What do you put in your cup?

Milk, water and juice are served in a cup.

## Activity:

### Scavenger Hunt:

Have your child find the following items in your kitchen.

PLATE

FORK

SPOON

KNIFE

CUP

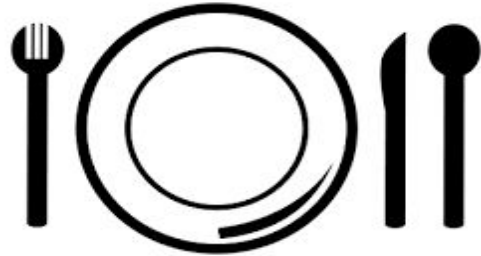

BOWL

## Extension:

### HELP SET THE TABLE

- How many people are eating dinner?
- Count the number of people eating dinner.

Next, let your child help set the correct number of plates, forks, spoons, knives and cups on the table.

## Self Check:

Check your students responses

1. Was this lesson?

easy

just right

hard

2. Have your child help set the table for a meal.
