Worms

May 8, 2020

Early Childhood Special Education Reading Lesson: May 2020

Learning Target:
Students will answer basic wh- questions about worms.

Let's Get Started:
[Wonderful Worms](#) by Linda Glaser

Where does a worm live?

- Say or point to the correct picture.

In the soil

In a house

What does a worm do?

- Say or point to the correct picture.

Read a book

Dig in the soil

Why are worms important?

- Say or point to the correct picture.

Help plants grow

Help the soil

Activity:

Worm Families

STEAM
Investigation

Items needed:

- tub/bucket
- sand or dirt
- drinking straws

Fill a tub with sand or dirt. Cut drinking straws into different lengths. Hide them in the sand. Encourage children to pretend to play with the family of worms.

While playing, ask your child the following questions:

1. Where do worms live?
2. What do worms do?
3. Why are worms important?

Self Check:

Check your students responses

1. Was this lesson?

easy

just right

hard

2. Ask your child to go outside and look for worms.
