Let's Get Started:
Watch Videos: [Scribbling 101](#)
[I'm Not Just A Scribble](#)

Practice:
What can I draw on paper?

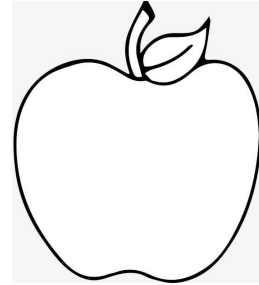

**Let's make a
shape!**

Circle

2 7 4

**Let's make a
number!**

Two

**Let's a make a
fruit!**

Apple

Activity:

Let's draw on paper!

Materials needed:

1. Supply writing tools that are short, thick, or wrapped with a foam grip
2. Tape paper to the table to stabilize
3. Give the child time to express themselves
4. Ask questions about the marks on the paper:
 - What shapes did you make?
 - Do you see any numbers?
 - What did you make?

Another way to play is have the children use sidewalk chalk outside. The importance is to freely create and non-judgmentally express with art materials.
