Painting

April 07, 2020

Early Ed Art
Lesson: 4/7/2020

Learning Target:
Students will paint with water.

Let's Get Started:
Watch Video: [Make Your Own Art](#)

Practice:

Practice painting with your finger on this paper.

Trace the lines with your finger.

Pretend you are painting with water!

Activity:

Painting With Water

Materials needed: Paint Brush, or other tool to paint with, paper (colored construction paper if available), water, towel for clean up

1. Get you materials ready.
2. Using your paint brush and water, make marks on the paper.
3. Have fun creating with water!
