Rolling Art

April 09, 2020

Early Ed Art

Lesson: 4/9/2020

Learning Target:

Students will use fingers and hands to create art.

Let's Get Started:

Watch Video: [Color Song](#)

Practice:

Can you keep the balls in the box?

Find some small balls and place them in a box or shallow dish. Practice rolling the container back and forth, keep the balls in the box.

Activity:

Rolling Art

Materials needed: short box, paint, paper, small balls

1. Place the paper in the box.
2. Squirt some paint into the box or on the balls.
3. Place the balls in the box
4. Pick up the sides of the box and move the balls around to move the paint.

Another way to play is to use trucks, acorns or anything that rolls and can be cleaned up from paint. You could also paint inside a ziplock bag, less mess
