

Science Virtual Learning

**Early Education**

**Exploring with Flashlights**

April 13, 2020

Early Ed Science  
Lesson: 4/13/2020

**Learning Target:**  
Students will explore with flashlights.

**Let's Get Started:**  
Watch Video: [Shadows](#)

# Activity:

## Flashlight Fun

**Materials needed:** Flashlight or cellphone with light, toys, objects

### Activity Suggestions:

- Move a toy toward the light.
- Move a toy away from the light.
- Add multiple toys in front of the light.
- Use two flashlights to create two shadows
- Move the flashlight to each side of the toy
- Put different colors of clear plastic in front of the flashlight (ex: soda bottle, lid, cellophane)
- Use shadows and toys to tell a story using the shadows.

## Extension:

Another way to play with the flashlight is to turn off lights and play the song “Bright Light” while playing with flashlights.
