# Activity:

## Counting Toys

**Materials needed:** Toys

1. Lay out 5 toys on the floor.
2. Touch each toy and count to five.
3. Have your child try.
4. Repeat the activity with a different amount of toys.

Watch Video: [Countdown from 5](#)

Another way to play is to take one toy away and count again. Continue taking one away each time you play the game until you have no toys left.
