

Math Virtual Learning

Early Education Counting

April 22, 2020

Early Ed Math

Lesson: 04/22/2020

Learning Target:

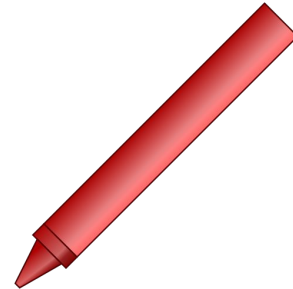

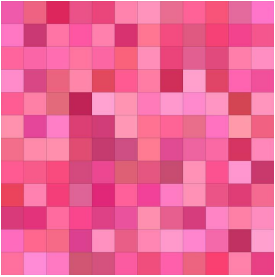

Students will count items in the bag.

Let's Get Started:

Watch Video: [Counting 1-5](#)

Practice:

Count the items you see here.

Activity:

Counting

Materials needed: One pillowcase, 5 small items to count (ex: spoon, crayon, toy car, etc.)

1. Gather pillowcase and 5 items to count.
2. Place the items in the pillowcase.
3. Have your child reach into the pillowcase and pull items out one at a time.
4. Have your child count as they pull items out.

Watch Video: [Learn to Count 1-5](#)

Another way to play would be to add additional items to the pillowcase to count.
