Can you count  
the dots?

3

Can you count  
the dots?

5

# Activity:

## Rolling and Counting Dice

**Materials needed:** Dice

1. Roll a dice and have your child count the dots.
2. Decide on an action with your child (jumping, twirling, flapping, clapping, hopping).
3. Do the action the same number of times as the dots on the dice.
4. Continue playing with your child with various actions.

Another way to play is to make a giant homemade die.
