Early Education Shadows

April 30, 2020

Early Ed Literacy
Lesson: 04/30/2020

Learning Target:
Students will explore their shadows.

Let's Get Started:
Watch Video: [The Day I Met My Shadow](#)

Practice:
Point to the shadow in each picture.

Activity: Shadow Fun!

Materials needed: Music

1. Go outside with your child.
2. Help them discover their shadow.
3. Try different movements with your child to see how their shadow might respond.
4. Turn on some music and have a shadow dance party!

Another Way to Play

Another way to play is use chalk to trace your child's shadow and let them color it in. You can also play shadow tag with your child. Have them try to hop on each other's shadow.
