Mixing Colors

May 1, 2020

Early Ed Literacy
Lesson: 05/01/2020

Learning Target:

Students will explore paint, mixing colors, and making shapes.

Let's Get Started:

Watch Video: [Mix the Colors Song](#)

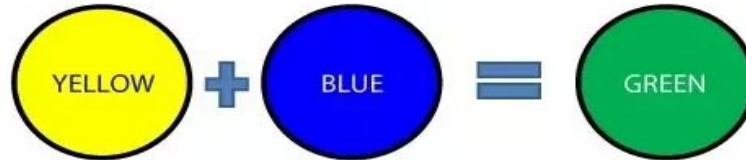

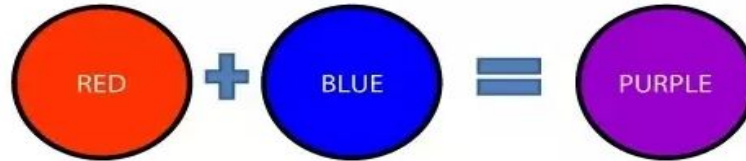

Practice:

Point to each color and say:

"Red and blue make purple."

"Yellow and blue make green."

"Red and yellow make orange."

Activity:

Rainbow in a bag

Materials needed: Shaving cream, food coloring, ziplock bag, tape

1. Mix shaving cream with food coloring to make different colors.
2. Scoop different colors of shaving cream into a ziplock bag and secure with tape.
3. Let your child squish around to make cool patterns or use your finger to draw shapes or letters.
4. Ask your child:
 - a. Tell me about your painting.
 - b. What colors do you see?
 - c. How does it feel?

Another way to play is have your child experiment with mixing two colors in a bag and see what color it makes!
