Early Ed Math
Lesson: 05/04/2020

Learning Target:

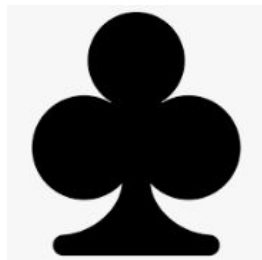

Students will explore math skills with playing cards.

Let's Get Started:

Watch Video: [I Can Sort](#)

Practice:

Name these colors, shapes, and numbers with your child.

1 2 3 4 5 6

Activity:

Card Games

Materials needed: Deck of cards

1. Sort out 12 cards (2-7 of hearts) and (2-7 of clubs).
2. Flip the cards upside down and lay them in a row.
3. Take turns turning over two cards to find a match.
4. Help your child identify the numbers.
5. Continue playing until all cards have been matched.

Another way to play is have your child sort the cards by color. Your child can make a red pile and a black pile.
