# Activity:

## Rock Coloring

**Materials needed:** Rocks of different sizes, markers, paper.

1. Place rocks on paper.
2. Show your child how to color on the rock with a marker.
3. Ask the following questions.
  - a. Is your rock small?
  - b. Is your rock big?
  - c. Which rock is the biggest? Smallest?
  - d. What color are you making your rock?

Other ways to play: Use paint to paint your rocks. Use crayons to scribble on rocks. Place your rocks around the house and have your children try to find them. Place them in your garden or outside on the porch.
