Activity:

Journaling

Materials needed: Writing utensil, spiral notebook or paper

1. Let your child write, draw, scribble.
2. Give a prompt:
 - a. Draw me your favorite animal.
 - b. Write about your favorite food.
3. Encourage your child to tell you about their creations.

Another way to play is to set aside journaling time each day. Write a daily prompt, letter, or shape, and let them create a story or picture to go with it.
