Activity:

Exercise Counting

Materials needed: none

1. Stand up with your child facing you.
2. Tell your child:
 - a. Hop as many times as you can and I'll count.
3. Count while your child hops.
4. Take turns hopping and counting.

Another way to play is to have a hopping competition. Have everyone at home hop as many times as they can. The family member with the most hops win.
