

Math Virtual Lesson

Early Education
Shape Identification

April 8, 2020

Pre-K Math
Lesson: 04/8/2020

Learning Target:

Students will recognize shapes in different orientations.

Let's Get Started:

Watch Video: [Shape Scavenger Hunt](#)

Practice:

What shapes do you see?

What shape do you see?

Circle

What shapes do you see?

Rectangle and
Triangles

What shapes do you see?

Squares and rectangles

Practice: Shape Scavenger Hunt

Now it's your turn to go on a shape scavenger hunt

Materials: List of shapes you are “hunting” for
Writing utensil to mark of found shapes

1. Take your list of shapes and start hunting around your home or yard
2. As your find the shapes use your writing utensil to mark off what you have found
3. Celebrate!
