

**Art Virtual Lesson**

**Early Education**

**Nature Collage**

**April 8, 2020**

Pre-K Art  
Lesson: 04/8/2020

**Learning Target:**

Students will experiment with tools and materials to create.

**Let's Get Started:**

Watch Video: [Let's go on a Nature Walk](#)

Practice:  
Let's think: What tools can you experiment with to make art?

What unique tools and materials can you use for art?  
What are standard tools you use for art?

# Activity:

## Make a Nature Collage

**Materials needed:** Materials from nature walk

Glue or tape

Paints, crayons, markers, etc- optional

1. Take a nature walk outdoors and collect natural items you can use to make a collage.
2. Take a look at your “Found” Nature Materials
3. Brainstorm with your family about what you can make
4. Create!

Another way to expand your Natural Art Activities is to [Make Nature Faces](#)
