Pre-K Literacy
Lesson: 04/9/2020

Learning Target:

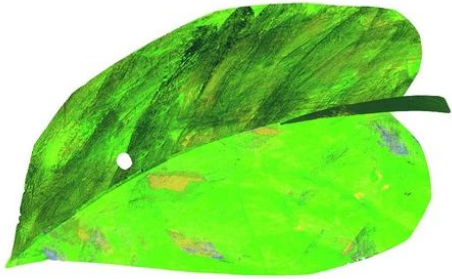

Students will demonstrate understanding of story details.

Let's Get Started:

Watch Video: [Animation of *The Very Hungry Caterpillar* by Eric Carle](#)

Practice:

What happens first in the story?

The caterpillar is in the egg.

The caterpillar hatches from the egg.

The caterpillar makes a cocoon.

The caterpillar transforms into a butterfly.

Activity:

Order of Events in the story of *The Very Hungry Caterpillar*

Materials needed: [The Very Hungry Caterpillar](#), paper, pencil, crayons

1. Rewatch the story
2. Ask your child these questions:
 - a. Who is the character in the story? (The caterpillar)
 - b. If they don't remember what a character is ask, "Who is the story about?" (The caterpillar)
3. Caterpillars have a life cycle! Have your student draw the life cycle of the caterpillar on paper after reading the story (Egg, caterpillar, cocoon, butterfly).
4. Use your crayons to add color and detail.

If your student is able to retell the story you can ask them these follow up questions:

1. Why does the caterpillar need to wrap itself in a cocoon?
2. What if the caterpillar did not wrap itself in a cocoon, what is another way the caterpillar could be protected?
