

Math Virtual Lesson

Early Education

Sorting

April 13, 2020

Pre-K Math

Lesson: 04/13/2020

Learning Target:

Students will sort objects in two or more groups.

Let's Get Started:

Watch Video: [Sorting](#)

Practice:

Practice sorting objects by size or color

Sort your shoes
by the color.

Sort your
pillows by
size.

Activity:

Sorting toys.

Materials needed: 2 different types of toys (Example: cars, stuffed animals)

1. Choose 2 sets of toys.
2. Mix 2 sets together.
3. Ask your child:
 - a. Will you sort by color, shape or size?
4. Sort into piles. (Ex: trucks/cars)

Watch Video: [Sort the Same Group Two Different Ways](#)

Another way to play is to sort objects into two or more groups based on one attribute, then puts all of the objects together and re-sort the entire collection into new groups.
