## Simon Says Draw!

**Materials needed:** Crayons, markers, or pencils; paper

1. Assign a person to be Simon.
2. Simon gives directions, such as:
  - a. Simon says draw a line
  - b. Simon says draw a dot
  - c. Simon says draw a face
  - d. Simon says draw 2 squares
3. Artists draw what Simon says.
4. Repeat steps 1-3 with different people and different things to draw

Another way to create is to play the game with the artist blindfolded and Simon giving directions to use a specific color or tool.
