Symmetry Painting

April 20, 2020

Pre-K Art

Lesson: 04/20/2020

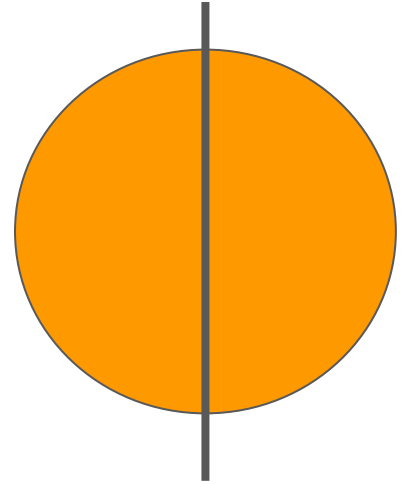

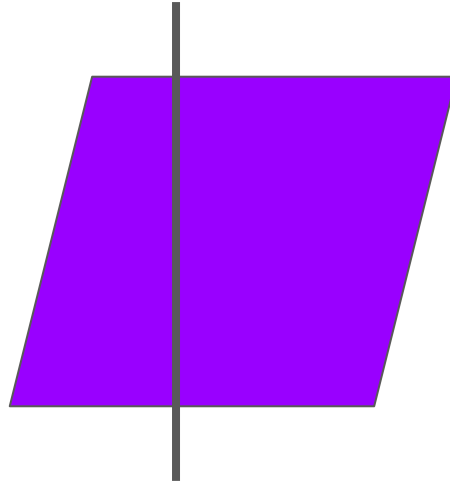

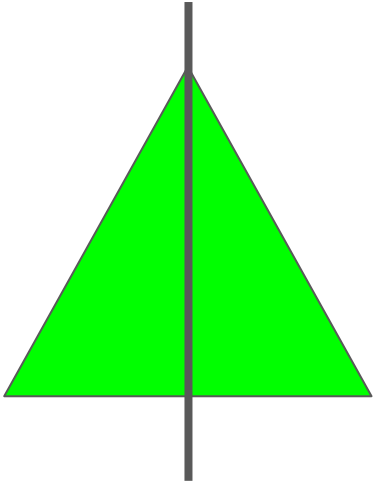

Learning Target:

Students will identify lines of symmetry.

Let's Get Started:

Watch Videos: [Symmetry Song](#)

Practice:
Which shapes are symmetrical?

Activity:

Simple Symmetry

Materials needed: Paper, paint, paintbrush

1. Have your child:
 - a. Fold a piece of paper in half and open it back up.
 - b. Draw a line down the middle.
 - c. Paint on one side of the line.
 - d. Once finished, fold the paper back up and press.
2. Open the paper up and see the symmetry of your design.
