Concepts about Print

April 21, 2020

Pre-K Literacy
Lesson: 04/21/2020

Learning Target:

Students will begin to understand print and symbols carry meaning.

Let's Get Started: Environmental Print
Watch Video: [Learn the Name of Objects](#)

Practice:

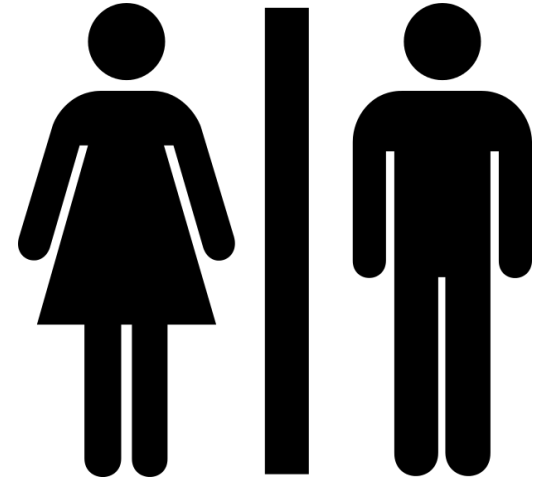

What does this mean?

STOP

What does this mean?

EXIT

What does this mean?

RESTROOM

Activity:

Labeling your house

Materials needed: paper, writing materials, tape

1. Have your child pick objects to label (ex- door, sink, tv, couch, chair, window, stove, etc..).
2. Have your child draw a picture of the object.
3. Ask your child to write based on their ability
 - a. First letter of word
 - b. Invented spelling (sounding out word)
 - c. Copying word
4. Tape the label with the correct object

Another way to play is take all of the labels off, and put them in a pile. Then have the child go through them and see if they can match the label with the object.
