

Art Virtual Learning

**Early Education**

**Rainbow Fish**

April 22, 2020

Pre-K Art

Lesson: 04/22/2020

**Learning Target:**

Students will create a fish while experimenting with materials and color.

**Let's Get Started:**

Watch Video: [Rainbow Fish](#)

# Practice:

## How are you going to create your fish?

Constructions paper

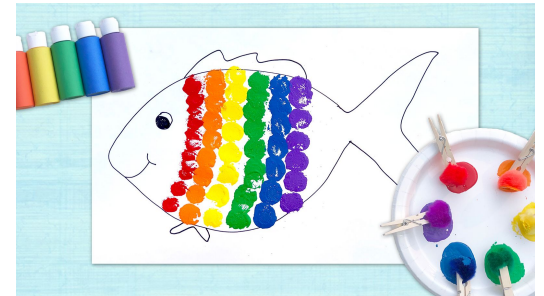

Aluminum foil  
Paper plate

Tissue paper

Cupcake holders

paint

# Activity:

## Making a Rainbow Fish

**Materials needed:** Craft items you have at home, paint, markers, crayons, glue, paper, aluminum foil, tissue paper, paper plate, cupcake holders

1. With the materials you have, have your child to create their rainbow fish.
2. Ask your child:
  - a. What items are you using to make your fish?
  - b. Tell me about your fish.
  - c. What are some colors you put on your fish?
  - d. How is your fish the same as the fish in the story?
  - e. How is your fish different as the fish in the story?

Another way to create is to give the rainbow fish a shiny scale by adding foil.
