Early Education

Making Clouds

April 24, 2020

Pre-K Visual Art
Lesson: 04/24/2020

Learning Target:

Students will explore art materials to make clouds.

Let's Get Started:

Watch Video: [Rain Cloud Song](#)

Activity:

Creating Clouds

Materials needed: Paper, shaving cream, glue, bowl

1. Help your child mix and equal amount of glue and shaving cream in a bowl.
2. Using the mixture, have your child make pictures on the paper.
3. Ask your child:
 - a. How does it feel?
4. Allow to dry and it will be puffy on the paper!

Another way to try using cotton balls as the clouds, and use a blue marker to color the clouds blue!
