Early Education

Sculpting

April 27, 2020

Pre-K Art

Lesson: 04/27/2020

Learning Target:

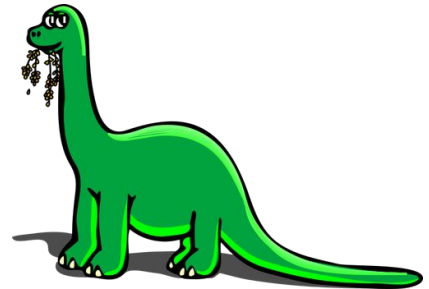

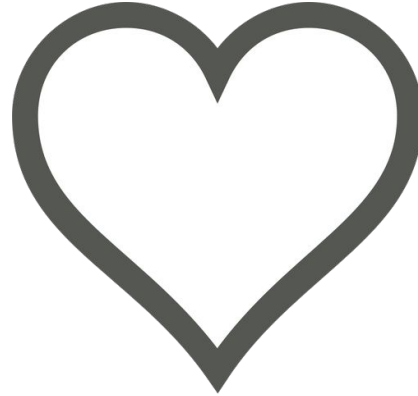

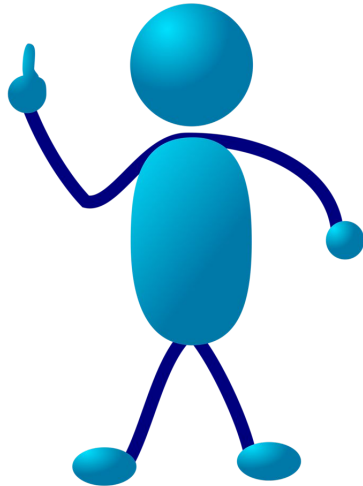

Students will create 2-dimensional and 3-dimensional representations of things.

Let's Get Started:

Watch Video: [Tin Foil Art](#)

Practice:

What will you create?

Activity:

Foil Creations

Materials needed: Aluminum Foil

1. Have your child make a sculpture out of aluminum foil.
2. Ask your child:
 - a. Tell me about your sculpture.
 - b. How did you make it?
 - c. What else could you make with the foil?
 - d. What details could you add to your sculpture?
