Window Art

April 28, 2020

Pre-K Art

Lesson: 04/28/2020

Learning Target:

Student will create two dimensional representations of things and experiments with detail or color.

Let's Get Started:

Watch Video: [Color Song](#)

Practice:
What colors do you see?

Activity:

Window Painting

Materials needed: Washable paint, tape (masking or painters), paint brush

1. Put tape on the window in different directions, creating different shapes.
2. Once all the tape is on that you would like have the child paint each area.
3. Ask your child:
 - a. Tell me about your painting.
 - b. What shapes do you see?
