**Learning Target:**

and read it.

**Let's Get Started:**

Watch Video: [Chicka Chicka Boom Boom](#)

## Practice:

Find the letters in  
your first name.

# Activity:

## Coconut Names

**Materials needed:** brown paper, black marker, scissors

1. Cut circles out to look like coconuts.
2. Help your child write each letter of their first name on the coconuts.
3. See if your child can arrange the letters to spell his/her first name and read it!

Another way to play is try making the letters of your child's last name or add coconut letters to create the names of other family members. You can try with "Mom" and "Dad" as well!
