Pre-K Art

Lesson: 04/29/2020

Learning Target:

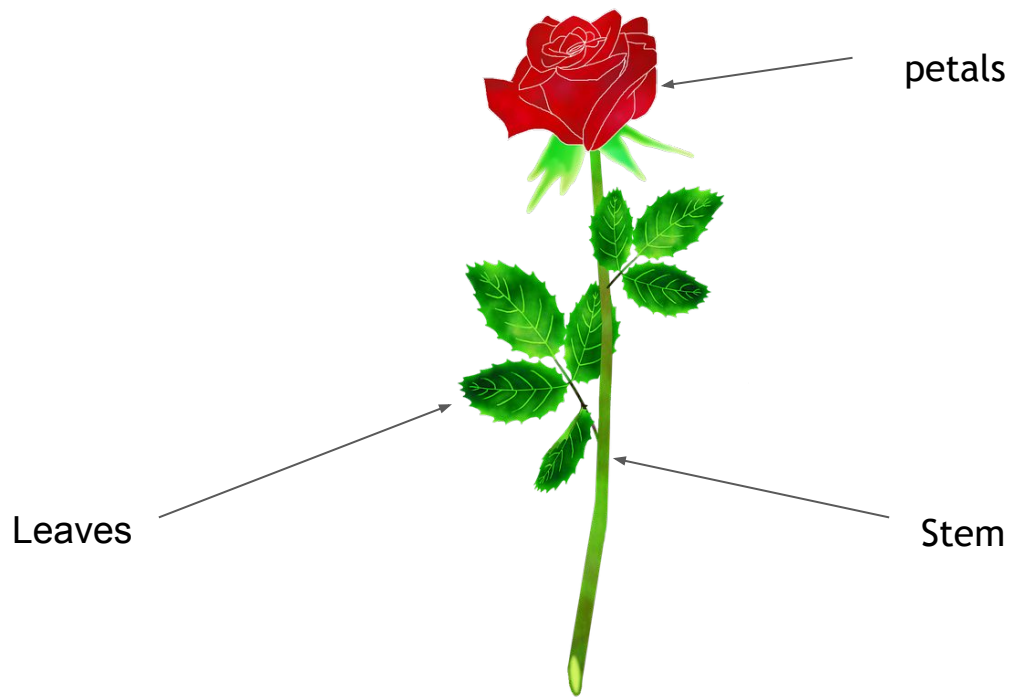

Students will create a flower garden with paper.

Let's Get Started:

Watch Video: [Sing a Song of Flowers](#)

Practice:

What are the parts of a flower?

Activity:

Make Your Own Flower Garden

Materials needed: Construction paper, scissors, glue

1. Have your child cut out construction paper in different shapes.
2. Have your child create a flower garden with the cut out shapes.
3. Ask your child:
 - a. What shape could you use to make the stem?
 - b. What shape could you use to make leaves and petals?
 - c. Tell me about your picture.
