Activity:

Letter Sound Scavenger Hunt

Materials needed: paper, pencil/marker, objects in your home

- 1. Create letter cards:
 - a. Cut out 4 squares
 - b. Write one letter on each card: S, T, P, N
- 2. Have your child go around the house and find objects that match the beginning sound.

Here is a website with all the letter sounds: <u>Jolly Phonics Hear the Letter Sounds!</u>

Another way to play is to add more letters for your child to find objects that match the beginning sound.
