# Practice:

How many fingers do you see?

# Activity:

## Hully Gully, How Many

**Materials needed:** 10 small objects that make jingling noise such as coins, marbles, or small bells

1. Hide several of the objects in your hand.
2. Shake the items slowly and say “Hully gully, how many?”
3. Have your child guess how many items are in your hand.
4. Count the objects together.
5. Repeat with a different number of objects in your hand
