Students will build a portrait with various objects around the house.

**Let's Get Started:**

Watch Video: [Funny Face Song](#)

# Practice:

Can you find a face in these pictures?

# Activity:

## Object Plate Portraits

**Materials needed:** Plate(s) and various household objects

1. Have your child get a plate and a variety of materials around the house.
2. Have your child create a face with their materials.
3. Ask your child:
  - a. How are you making eyes?
  - b. How are you making the mouth?
  - c. What could you use that for?
  - d. Tell me about your face.
4. Take a photo of your creation!
