Activity:

Clothespin Counting

Materials needed: Clothespins/paper clips, papers with numbers 1-10 wrote on them (1 number per paper)

1. Write the numbers 1-10 on each paper (1 number per paper).
2. Have your child pick a number card and clip the number of clothespin/paper clips on to match the number.
3. Continue this for each number.

Another way to play is to make number cards with numbers 11-20.
